

2002 Gandhi-King Season for Nonviolence

Day 56 - Tuesday March 26, 2002

Thought for the day

Self-sufficiency

People need the dignity of work and the opportunity to provide for themselves and their families. Economic self-sufficiency is a requirement for a nonviolent world.

Can you help someone today to find employment by helping with a resume or application, making phone calls, helping them dressing appropriately, or practice interviewing?
