

2002 Gandhi-King Season for Nonviolence

Day 59 - Friday March 29, 2002

Thought for the day

Intervention

Alcohol and drug abuse is both a consequence and a cause of violence.

Have the courage to intervene in a caring way with someone who is using abusing alcohol and drugs. Through your honest and straightforward communication, encourage them to get educated, get help, and get sober and free from drugs. You can make a difference in someone's life.
